Some things to Note:

- The speed bumps have been installed again for the Spring and Summer months and new signage has been installed.
- Council had a presentation on the new bodycams that will be worn by the RCMP. Pictou Landing First Nation is part of the pilot project. There will be more information coming on this in September.
- The Mawio'mi is happening next weekend, June 3-5. Be sure to come down!

- Subdivision - During the next 3 weeks the road will be shaped and subgrade. June and July - water and sewer pipes will be installed. Working with Nova Scotia Power for installation of poles and power. Security will be hired after the road is done. Plan - subdivision to be ready for September. We also started planning for housing funding (CMHC and ISC).

Notice from MPAL:

Bikes for kids is up and running again!

If your child needs a bike, please let MPAL Cynthia Denny know and she will bring you a form to fill out. If you have a bike to donate, let her know and she can come grab it!

We helped lots of children in the community last year and this program was extremely successful.

Thank you, Pictou County Bikes for Kids, for this wonderful partnership and opportunity
