The following is the list of the candidates running in Pictou Landing's 2025 Election. The candidates can still decline their nomination up to the close of the polls on November 27, 2025. Should anyone decline, we will not be able to disclose this information as we cannot inform everyone. It will be disclosed at the time of the ballot count.

Should there be a tie between candidate(s) a recount will happen and if there is still a tie, I will put their names in a hat and draw out the winner.

All candidates can have two scrutineers on election day. Please send the names and contact of your scrutineers to the Electoral Officer of Electoral Deputy Officer as soon as possible. No one will be allowed to be a scrutineer unless appointed by the candidate.
